Subject: Willbridge dredging meeting recap

Hi everyone.

Thanks for meeting yesterday. Per Jonathan's suggestion (a bit more than 10 minutes, but hopefully worth it!), I am attaching a recap of our discussion. Let me know if I got anything glaringly wrong or left out any important points. Otherwise, I'd prefer not to revisit it... Please distribute to those you would like to. More discussion to come as we finalize the proposals and reviews in the coming months. Thanks again and have a nice T-day!
